

God has smiled on me

This morning I picked up a paper
I read about tragedy I stopped and
I realized that it could've been me oh oh
That could've been my mother
Or maybe even my big brother
But you kept them just like you kept me
I want to tell you that

Chorus:

*God has smiled on me
He has set me free
God has smiled on me
He's been good to me*

Now I've been through some things that
I thought were unnecessary
Were way too much to carry
All by myself
Yeah! you gave me strength to
Make it though
I thought I couldn't take it
Feels so good to know that you care
Yeah, yeah, yeah, God

Chorus

So glad I know you
Glad you're my friend
Whenever I need you
You're always near
You don't have to be so good to me
But you keep on smiling

Chorus
